Dear **Alexei Macheret**,

We haven't seen you for a year on the Publications Office Portal.

Remember that with your account you can save your favourite publications, save searches, set up RSS feeds, bookmark, rate publications or create your own annotations.

Also, you can even participate in the events offered by the Publications Office throughout the year.

We look forward to seeing you again on the Publications Office Portal which offers you unique and easy-to-use access.

Please note that, due to your inactivity on the Publications Office Portal and according to our privacy statement, **your account will be deleted in two years** if you don't sign-in again. Nevertheless, you will still be able to create a new account.
